ABSTRACTED-PUB-NO: DE 20007028U

BASIC-ABSTRACT:

NOVELTY - The book has several pages which have perforations (19) on one side which are held together by a spiral (18a). A perforated line (18) is provided in front of the perforations on each page so as to enable a page to be torn out. The cover (20) of the book incorporates folded sections on its inside for storing pages which have been torn out.

USE - For sketching or college work.

ADVANTAGE - The cover enables pages which have been removed to be kept together.

DESCRIPTION OF DRAWING(S) - The drawing shows a plan view of the book.
